The matte black color of the Santa 100 model fascinates

Maya 45 The 25 cm width of the Maya model allows you to use it in limited space

Due to the small width of the Maya model, the height of the cabinet is well respected and its size is 55 cm

The Vista is a special model, a fusion of modernity and fantasy
The design on the doors has elongated half-rounds that make the
model fancy and beautiful

In relatively large spaces, we recommend the Vista model, in 3 colors

Vista model is designed in 2 sizes 70 and 90, size 70 has a single door and size 90 has a double door.
